

Avestia Pharma

We are reliable manufacturer, supplier, exporter of comprehensive gamut of nutritional, dietary, herbal, active pharmaceutical ingredients. We are known for high quality products, best-in-class technical support, and for delivering commitment.

About Us

Incorporated in **2000**, we, **Avestia Pharma**, are among the prominent manufacturers, suppliers, traders, importers, exporters and distributors of a diverse range of pharmaceutical ingredients. Our offered range comprises of Antibiotics-APIs, Nutritional Supplements Raw Material, and Health Products-Dietary Supplements Ingredients. Our diverse range has caught the fancy of many pharmaceutical manufacturers. A wide range of medications is manufactured using our range of ingredients by some of the most prominent pharmaceutical manufacturers. We have a world class infrastructure that helps in creating these offerings in the most cost effective manner.

We have a vast clientele that transcend national borders. Some of our key customers are Indchemie Health Specialities Private Limited, Alkem Limited, and Ajanta Pharma Limited. Our aim has been to fulfill the exact needs of our esteemed customers so as to enable maximum possible customer satisfaction.

Owing to this, we have been able to make our presence felt in Africa, East Asia, South America, Middle East, and Indian Subcontinent. Our team of dynamic professionals tailors solutions suited to the individual needs of these markets. All the individuals in our team strive to keep themselves abreast of the market developments, so as to be able to make a significant contribution towards the organizational objectives.

We are a proprietorship firm, established under the esteemed guidance of...
